- All patrons are required to wear a mask when entering Sliders Sports Grill. This includes when ordering food/beverages and entering to use the restrooms.
- Customers must provide their own masks. For tips on proper use or to learn how to make your own visit <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>
- The dining tables have been spaced to help promote social and physical distancing. The dining areas are reserved only for guests who are eating. Masks may be removed while eating. Please no loitering in the building.
- Both locations have one marked entrance on the east end of the buildings. All other doors are exit only.

We appreciate everyone's understanding as we do our part to help slow the spread of COVID-19. Those who refuse to comply to the above policies will be asked to leave, and will be reported to the Sliders manager and/or Cactus Yards staff who may choose to take further action.
